

DNP/ Post Master's PMHNP Certification Programs – Statute of Limitations for Program Completion

Students must complete the DNP degree within seven (7) years from the first term of the program.

Post-Master's PMHNP Certification students must complete the certification program within four (4) years from the first term of the program

If a student has not completed their respective program within the allotted timeframe, disposition will be determined by the DNP Academic Progression Committee, including a plan to ensure competency current knowledge.

Faculty Approval: 5/2019, 11/2021

Revised: 10/2021
