Women of RMU

Founded in 1995, the Women of Robert Morris University Luncheon & Program is designed to bring you current information of interest and provide the opportunity to network with business colleagues and other alumnae. Please join us for the Fall 2012 luncheon – and don’t forget to bring plenty of business cards. Networking opportunities abound!

HELP SUPPORT THE WOMEN OF RMU SCHOLARSHIP FUND

Since 2004, the university has awarded a scholarship to a young woman pursuing an undergraduate degree through the Women of RMU Scholarship Fund. We appreciate all those who have already donated to this worthy cause.

You can help too, by participating in the $5 Favor Program. Simply add $5 to your check for this November’s luncheon and program, and we will deposit it into the Women of RMU Scholarship Fund.

WOMEN OF RMU LUNCHEON & PROGRAM
CO-SPONSORED BY THE WOMEN’S LEADERSHIP ADVISORY COUNCIL

URBAN ROOM 17TH FLOOR | NOV. 1, 11:30 A.M. - 1:15 P.M.

The Role of Women in the Leadership Chain
The role of highly effective leaders – whether they be in business, government, community service or academia – is to establish a shared purpose for the enterprise and to execute for success. Regardless of her level in the organization, every woman can play a leadership role. But identifying the opportunity and knowing how often are the two most commonly missed opportunities for women.

Drawing from her personal experiences, and her career in developing organizational and leadership capability, Sue Suver will share her insights into the attributes of effective women leaders: how they can drive organizational success, build influential relationships, build and motivate the workforce, and distinguish themselves at every stage of their own personal and professional development.
